PORTAL THREE:
GET CLEAR

KAMMIEK.COM

"Tell the TRUTH - the yOUiverse is listening."

In order to start eliminating tolerations you first need to know what they are. **Ask yourself:**

“What am I putting up with right now?”

"It's up to you."

“What is bugging me that I wish wasn’t?”

"When my circle got smaller, my vision got clearer."

“What would it mean to have no tolerations in my life?”

"Home isn't a place...it's YOU."

Reflect on these Q's through the different places you show up in life:

- Home
- Family/Work
- Community (Inner & Outer Circle)

GET CLEAR

A Prayer for Clarity:

"I push away all negative distractions,
allowing me to find clarity to my actions.
To find peace of mind in any situation.
I call to my angels/guides/source
for clear communication."

XO,
KK
