"When something feels off, it is." Abraham Hicks

“Who would I BE, knowing I was INFINITELY funded
by SOURCE?”

"You owe it to yourself, to TRUST yourself!"

“How would I FEEL if I KNEW I was Divinely Guided and protected everyday in every way?”

"Your intuition knows her shit."

“What might my work/relationships/creative projects/home/life look & FEEL like if I had a SOLID relationship with my higher self?” (Take some time to run each or a few of these elements through this filter)"

"Intuition = built in BS protector!"

“What signs, symbols, or synchronicities are showing up in my life lately?” (List or brain dump, pictures, images, bumper stickers, billboards, song lyrics, prayers, poetry, etc. that is whispering to you, yet you might be overlooking).
